Timothy R. Malooly

President

Water in Motion, Inc.

Tim Malooly is President of Water in Motion, Inc. (www.watermotion.com) an outdoor water use & reuse design, consulting & water management firm based in Minneapolis, MN. In business since 1995, Water in Motion has designed some of the most interesting irrigation and harvest & reuse systems in the nation including the first-ever USGBC LEED® Platinum Residential, professional sports complexes, zoological gardens, parks, streetscapes, office & retail properties, government facilities, schools and master-planned communities from 10 acres to over 2,500 acres. Some projects are managed by Malooly's Water Management division.
