Girlie Manatad, MD, MPH, CHSP NYP Environment of Care Compliance Manager

Holding both an MD as well as a Masters in Public Health on Environmental Occupational Health Science, Dr. Girlie Manatad currently is in charge of the Facilities-regulatory compliance at six campuses at NewYork-Presbyterian Hospital (NYPH) including Offsite Clinics. Her operational expertise and responsibilities include Utilities Management, Emergency Management, Environment of Care, Environmental Safety, Infection Control, and Water Safety. She additionally provides regulatory compliance guidance and support to five NYP Regional Hospitals. Dr. Manatad is the NYPH Utilities Management Sub-committee Chair and the Chair/Lead of the Environmental sub-group in the NYP Behavioral Health Steering Committee.

In 2017, NSF International (an international leader in public health and safety) presented NYP with the 2017 Recognition Award, the NSF International Excellence in Building Water Health Award. In 2018, NYPH received the 2018 Excellence in Health Care Facility Management Award. Both these awards recognized Dr. Manatad team's amazing effort to enhance patient and staff safety.

Dr. Manatad is a 2015 graduate from Building Tomorrow's Leadership, NYPH Leadership Development Program, a very selective program for VP-nominated high-performing managers/directors. She is also a voting member of the National Sanitation Foundation International 444 Joint Committee on the NSF 444 – Prevention of Injury and Disease Associated with Building Water Systems Standard.
