

APPLICATION FOR ICC Codes & Standards

It is important to complete all of the questions on this form, supply additional requested information, sign and date the application. This application can be used to apply for membership on any ICC Codes & Standards Committee or Council. If you apply to be on more than one committee in Part I - #1 below, and if your participation will be funded by separate sources (entities), you must submit separate applications for each committee/funding source. ***Be sure to review the posted "Call for Committees" to determine which committee(s) or council(s) are considering new applications and the deadline for submittal of the applications.***

Part I. General Information

1. Name of ICC Committee(s) or Council(s) on which you would like to be a member:
(See list on Page 5 – Indicate the acronym for the Committee or Council and list in order of preference.)

- | | |
|----------|-----|
| 1) CECDC | 6) |
| 2) RECDC | 7) |
| 3) IMC | 8) |
| 4) | 9) |
| 5) | 10) |

2. Applicant Information: Complete the following information on yourself.

Your Name:	Mark Heizer	Cred: (P.E., MCP, etc):	PE
Title:	Mechanical and Energy Code Specialist		
Company:	Building Codes Division, State of Oregon	Acronym:	BCD
Address:	1535 Edgewater St NW; PO Box 14470		
City:	Salem	State/Province:	OR
		Postal Code:	97309
		Country:	USA
Phone:	503-373-0205	Ext:	
		Cell:	971-600-6821
E-mail:	Mark.r.heizer@oregon.gov		

3. Entity Represented: Complete the following information on the entity you represent (Jurisdiction, Company, Association, group, or yourself).

Representing:	Building Codes Division, Department of Consumer and Business Services	Acronym:	BCD
Main Contact:	Mark Long		
Title:	Director		
Address:	1535 Edgewater St NW; PO Box 14470		
City:	Salem	State/Province:	OR
		Postal Code:	97309
		Country:	USA
Phone:		Ext:	
		Cell:	
E-mail:			
Web Site:	BCD.oregon.gov		

4. Interest Category: (check one) Using the Interest Categories listed on the next page, indicate the Interest Category that best relates to your representation.

- General**

 User

 Producer

Interest Categories (per ICC Council Policy 7):

- **General Interest (G):**
Individuals assigned to the General Interest Category are those who represent the interests of an entity, including an association of such entities, representing the general public or entities which promulgate or enforce the provisions within the committee scope. These entities include Consumers and Government Regulatory Agencies.
- **User Interest (U):**
Individuals assigned to the User Interest Category are those who represent the interests of an entity, including an association of such entities, which is subject to the provisions or voluntarily utilize the provisions within the committee scope. These entities include Academia, Applied Research Laboratory, Building Owner, Design Professional, Government Non-regulatory Agency, Insurance Company, Private Inspection Agency, and Product Certification/Evaluation Agency.
- **Producer Interest (P):**
Individuals assigned to the Producer Interest Category are those who represent the interests of an entity, including an association of such entities, which produces, installs, or maintains a product, assembly, or system subject to the provisions within the committee scope. These entities include Builder, Contractor, Distributor, Labor, Manufacturer, Material Association, Standards Promulgator, Testing Laboratory, and Utility.

NOTE – Multiple Interests: Individuals representing entities in more than one of the above Interest Categories, one of which is a Producer Interest, are assigned to the Producer Interest. Individuals representing entities in the General Interest and User Interest Categories are assigned to the User Interest.

5. **Voting Status:** Indicate if you will be the voting Principal or Alternate. (Alternates must represent the same entity as the Principal. Alternates are not appointed for members of an ICC Code Committee.)

Representative as (check one):	Principal:	<input checked="" type="checkbox"/>	Alternate:	<input type="checkbox"/>
If an alternate, identify principal member:	Principal name:			

Part II. Authority and Funding

1. Are you authorized to vote on behalf of the entity you represent? (Appropriate authorization may be required.)
 Yes No
2. Will you have an instructed vote as determined by the entity you represent?
 Yes No
3. If yes to #2, can the time constraints of the consensus process be maintained?
 Yes No
4. Who or what organization, company, interest, etc., funds your participation? (see below)

All funding sources must be divulged

NOTE: If you have applied to be on more than one committee, and if your participation will be funded by separate sources (entities), you must submit separate applications for each committee/funding source. If you will NOT be representing or funded by an outside entity (organization, company, etc.), and are applying as an individual member and funding your own participation on the Committee, simply state "Self" below.

Funding by:	SELF (Governmental)						
Main Contact:							
Title:							
Address:							
City:		State/Province:		Postal Code:		Country:	
Phone:			Ext:		Cell:		
E-mail:							

Note: ICC Governmental Members are typically authorized to travel at ICC's expense for C&S related committees. Be sure to review the "Call for Committee" to determine ICC's travel policy for the specific committee for which you are applying.

Part III. Background and Experience

Please complete the following. Attach résumé or additional sheets as necessary.

- List current and previous Committee service, including ICC and other organizations on which you have served.

	<u>Organization / Committee</u>	<u>Date or Years of Service</u>
a)	SEHP CAC, vice Chair	Jan. 2012-Jan. 2015
b)	SEHP member	Jan. 2015-December 2017
c)	Building Codes Division, Energy and Mech. Code	June 2010-present
d)	ASHRAE SPC (Std.) 105 committee	Nov. 2010-January 2014

- State specific work experience related to one or more elements of Committee work.

Vice-Chair of inaugural SEHP-Code Action Committee. Proposed/co-wrote several significant revisions for 2015 IECC commercial provisions that were accepted and/or modified by the CECDC and passed at the Atlantic City hearings. SEHP had a success rate of its proposals of over 70% for its IECC proposals. The committee has proposals in for the 2015 IgCC and expect to have similar success at the hearings this fall. While on SEHP, coordinated proposals with the PMG and Fire CACs, serving as primary technical resource. Continued success as member of SEHP for the 2018 IECC. Authored several successful SEHP revisions, including re-organization of IECC Section C403.

Main work assignment at BCD as technical support for the Oregon energy code and mechanical code: answer all questions and make interpretations regarding the State Energy Code. Heavily involved with the energy code and updates to the Oregon specific code and the upcoming revisions to be in the 2015 IECC. Provide primary Mechanical code support for the State. Develop state-wide interpretations and provide support to the staff for the residential and commercial building codes . Hold a State Inspector Certification.

ASHRAE SPC 105: Voting committee member for update to ASHRAE Standard 105. Work resulted in Standard 105-2014, Standard Methods of Determining, Expressing and Comparing Building Energy Performance and Greenhouse Gas Emissions.

Oregon Solar Code: Nation's first prescriptive solar code. Developed the Commentary for Chapter 3 (structural) of this code.

Mechanical Engineer with 25-years experience prior to joining BCD. Extensive experience with sustainable buildings, including 6 LEED Certified projects and several non-LEED projects with rainwater harvesting systems. Energy, water conservation and re-use, site issues, envelope optimization, natural ventilation. Extensive knowledge of sustainable practices that work. 14-years at one of the sustainable leaders in the Northwest: Interface Engineering. Have dealt with HVAC design for all building types, understanding all aspects of the Mechanical and Energy codes. Worked in Florida and Georgia prior to Oregon: I am familiar with energy and environmental design extremes. Have completed projects in over 25 states and in Asia, South America and Africa.

3. State the contributions, education, certification or other qualifications you offer towards the success of the Committee for which you have applied.

Bachelor Mechanical Engineering (Georgia Institute of Technology, 1983), Mechanical PE since 1987; LEED AP since 2003; Member of ASHRAE. Oregon Inspector Certification (since 2013)

4. Provide assurance of active participation on the Committee. Will you be able to participate in the full work of the Committee such as attending Committee meetings and responding to correspondence?

Yes

No

5. Are you interested in serving as the Chair to a committee? The Chair is responsible for running the committee meetings.

Yes

No

6. Are you interested in serving as the Vice Chair to a committee? The Vice Chair takes over Chair responsibilities in the event the Chair is absent.

Yes

No

Part IV. Additional Information

Provide any additional information as may be appropriate to assist in the evaluation of your application. (Attach additional sheets as necessary.)

Part V. Certification and Agreement

Considerable effort, devotion and hard work will be expected of each Committee member. Committee membership carries an obligation to participate actively in all work of the Committee including the contribution and generation of information, prompt reply to draft reports and ballots, attendance and participation at Committee meetings and prompt completion of assigned tasks. The undersigned hereby agrees to notify the International Code Council of a change in any of the information provided in this application including a change in the organization represented, source of funding or employment. The undersigned agrees to abide by the rules and policy of the International Code Council. The undersigned attests that the information provided in this application for Committee membership is true and accurate.

The undersigned hereby agrees that his or her authorship contributions to ICC in connection with work performed as a member of an ICC committee are considered to be works made for hire for ICC. To the extent that the undersigned retains any rights in copyright as to such authorship contributions, the undersigned hereby grants and assigns to ICC all such rights. The undersigned understands that he or she will have no rights in any ICC publications that use such contributions by the undersigned and certifies to the best of his or her knowledge that such contributions are not protected by the copyright of any other person or entity.

Signature: 	Date: 5-12-2017

ICC Codes & Standards Committees and Councils

Be sure to review the posted "Call for Committees" (link on page 1) to determine which Committee(s) or Council(s) are considering new applications and the deadline for submittal of the application. The applicable ICC Council Policy which governs the activity is noted by "CP". All committees are also governed by CP 7. [Click here](#) for the link to the Council Policies.

Acronym

Code Committees (CP 28)

ADMIN	Administrative Provisions (Chapter 1 for all I-Codes except the IECC, IgCC and IRC) and referenced standards updates (multi-discipline committee)
CECDC	Commercial Energy Code Committee (IECC – Commercial provisions)
IBC-E	International Building Code – Means of Egress Committee
IBC-FS	International Building Code - Fire Safety Committee
IBC-G	International Building Code - General Committee
IBC-S	International Building Code - Structural Committee
IEBC	International Existing Building Code Committee
IFC	International Fire Code Committee (includes International Wildland - Urban Interface Code)
IFGC	International Fuel Gas Code Committee
IgCC	International Green Construction Code – Chapter 1 only (remaining provisions per ASHRAE 189.1)
IMC	International Mechanical Code Committee
IPC	International Plumbing Code Committee (includes International Private Sewage Disposal Code)
IPM/ZC	International Property Maintenance and Zoning Code Committee
IRC-B	International Residential Code – Building Committee -
IRC-MP	International Residential Code – Mechanical-Plumbing Committee
ISPSC	International Swimming Pool and Spa Code Committee
REDCDC	Residential Energy Code Committee (IECC – Residential provisions and IRC – Energy provisions)

ICC Performance Code note: No separate committee. See the ICC Performance Code for committee maintenance responsibility noted in the brackets ([]) prior to the section number.

Acronym

Code Action Committees (CP 31)

BCAC	Building (includes IEBC, IPMC, IRC Building, IZC)
FCAC	Fire (includes ICC Performance Code, IWUIC)
PMGCAC	Plumbing, Mechanical, Fuel Gas (includes IPSCD, IRC Mechanical/Plumbing, ISPSC)
SEHPCAC	Sustainability, Energy & High Performance (includes IECC, IgCC, IRC Energy)

Acronym

Councils (CP 9)

CSC	Codes and Standards Council
XXC	Other Councils – See acronym posted on the "Call for Committee" Note: Governing Committees of Memberships Councils have a separate application

Acronym

Interpretation Committees (CP 11)

BCIC	Building Code Interpretations Committee
ECIC	Energy Conservation, Existing Building, Green Construction, Property Maintenance, Zoning Code Interpretations Committee
FCIC	Fire, Wildland-Urban Interface Code Interpretations Committee
PMGCIC	Plumbing, Mechanical, Fuel Gas, Private Sewage Disposal, Swimming Pool Code Interpretations Committee
RCIC	Residential Code Interpretations Committee

ICC Performance Code note: Interpretative issues are assigned to one of the committees noted above based on topic.

Acronym

Standard Committees (CP 12)

IS-BLE	Standard on Bleachers, Folding and Telescopic Seating, and Grandstands (ICC 300)
IS-FPI	Standard for Spray Applied Polyurethane Foam Plastic Insulation (ICC 1100)
IS-IEDC	Standard for Landscape Irrigation Sprinklers and Emitters (ICC 802)
IS-LOG	Standard for the Design and Construction of Log Structures (ICC 400)
IS-PHSC	Standard for Pool Solar Heating and Cooling (ICC 902)
IS-RCSDI	Standard for Rainwater Collection System Design and Installation (ICC 805)
IS-RHW	Standard for Residential Construction in High-Wind Regions (ICC 600)
IS-STM	Standard for the Design and Construction of Storm Shelters (ICC 500)
IS-STSC	Standard for Solar Thermal Collectors and Solar Water Heating Systems (ICC 900 & 901)
IS-XX	New ICC Standard Committee – See acronym posted on the "Call for Committee"

Acronym
