### AZBO Holds ABM in Flagstaff

The **Arizona Building Officials (AZBO)** held its Annual Business Meeting on July 25-27 in Flagstaff. AZBO members conducted their business during the morning session on July 26, and a panel consisting of representatives from various states presented AZBO members with overviews of how their states approach code adoption and enforcement. Many AZBO members commented on how beneficial it was to hear first-hand how other Code Council members approach code adoption in their states. Council Board member Bill Dupler, Manager and Liaison to Government Relations Jason vonWeller, Vice President of State & Local Government Relations Vaughn Wicker, participated in the panel presentation along with representatives from Colorado, New Jersey and the state of Washington.
