RE: Chapter Support

Bill:

Dario Carrara
Secretary
Town of Peterborough

On behalf of the New Hampshire Building Officials Association I would like to take a moment and thank you for your continued support with our efforts here in New Hampshire. Your participation at our breakfast meeting with the New Hampshire Home Builders Association yesterday was a great opportunity for local contractors and business people to see a face and hear a voice representing the International Code Council. I also noted that you were able to make a connection with the NHBA Regional Liaison which I view as a positive direction for our region.

Mark Morong
Treasurer
Town of Stratham

Michael Santa
Asst Treasurer
City of Concord

Building relationships and communication are so key in our outreach duties to raise the profile of our profession and the value of building safety. As we continue the efforts to recognize the 2015 I-Codes as the State Building Code, our chapter is so fortunate to have committed members. We certainly consider you one of our members and an asset to our Association.

Bruce Buttrick
Director
Town of Hudson

Steve Paquin
Director

Again, thank you for your support and commitment. Hope you can now go and enjoy your family vacation and see you back here in Portsmouth, New Hampshire for the ESBOF Conference in April.
