Central Coast ICC Presentation

Thursday, May 4

Come join the Central Coast Chapter of the International Code Council for a morning of education and interaction. Learn more about the importance of building codes and the role of Building Officials. Also get more information on the first ever Building Code Course that will be offered at Cal Poly.

Don't miss the opportunity to network with the future of the building industry on what opportunities are out there with your building jurisdiction or organization, and any possible internships available. We will also be presenting scholarship opportunities from the Central Coast ICC Chapter and Simpson Strong-Tie. Be sure to join us!

Snacks and meeting will be held on Cal Poly Campus at Engineering West Building 21 KTGY A & B. Please enter on Grand Ave. and pick-up parking pass at kiosk.
